HAMTARO

HAM-CHAT

Digital Fan-Zine

A fully illustrated dictionary of 86 Ham-Chat words!

HAMTARO HAM-CHAT

Zine Introduction

HAMHA!

Thank you for downloading
the Hamtaro: Ham-Chat zine.

This is a fan project organised by
Neon-Bell Zines, brought to life with the
help of 86 different artists from around
the world.

The goal of this project was to create a
fully illustrated dictionary showcasing
the language that the hamsters in the
Hamtaro universe use: ‘Ham-Chat’.

Each of these Ham-Chat words has been
represented with an artwork to show its
meaning.

Please enjoy!

Disclaimer:

This is a completely non-profit, fan-made
project that exists simply to celebrate the
Hamtaro series.
Hamtaro belongs to its rightful owners
and Neon-Bell Zines does not, in any way,
intend to claim otherwise.
